RE: Metropolitan AME Church National Register Listing

Dear Reverend Baxton:

It is a pleasure to inform you that on May 5, 2010, the National Register of Historic Places approved the amended nomination submitted for the Metropolitan AME Church building at 1518 M Street, NW. The approved documentation lists the Metropolitan AME Church at the national level as opposed to the previously designated state/local level.

The D.C. Inventory of Historic Sites will similarly be updated to reflect this changed status. As you are aware, listing in the D.C. Inventory of Historic Sites provides recognition of properties significant to the historic and aesthetic heritage of the nation's capital, fosters civic pride in the accomplishments of the past, and assists in preserving important cultural assets for the education, pleasure and welfare of the people of the District of Columbia.

For any additional information please do not hesitate to call me at (202) 442-8840.

Sincerely,

Kim Williams  
Architectural Historian/National Register Coordinator
